

**Welcome to PHYSIOTHERAPY BARCELONA:** we are pleased and proud to build-up together with you the academic year that is currently starting.

We hereby provide you with some information that might be of a paramount importance for your first steps at the University.

### **GENERAL INFORMATION**

Degree Title: Physiotherapy Area of Study: Health Sciences Length of Studies: 4 years  
ECTS Credits: 240

Diploma: Degree in Physiotherapy (University of Girona & university of Barcelona)

Teaching Institutions: EUSES- ENTI

Academic Schedule: Afternoons (1st and 3rd Year), Mornings (2nd Year)

EUSES provides a clear and specialized training, adapted to the current needs of the job market and the modern society. Our teaching plan facilitates a specific training in the areas of orthopedics, rheumatology, pediatrics, neurology, sport, community-focused physiotherapy, management of physiotherapy facilities... our academic plan is reinforced with modern and spacious facilities.

Our curriculum prioritizes the ability to take care of patients from a preventive scope, as well as the treatment of different conditions and pathologies basically associated with movement and functioning. We currently provide the students with the possibility of practicing in different cutting-edge centers in Girona, Barcelona, Terres de l'Ebre, the South of France, USA, Australia, Italy, Portugal, Belgium, as well as in several partner universities across Spain (Valencia, Granada, Zaragoza, Madrid, Jaén, Murcia, Cádiz...).
